April 14 & 15, 2009

Renaissance Hotel, Makati City

## "IT Governance: Solving the Puzzle"

ISACA-Manila Chapter proudly announces that the 2009 ISACA Manila Annual Conference will be held on April 14 & 15, 2009 at The Renaissance Hotel, Makati City with the theme – "IT Governance: Solving the Puzzle".

The 2009 conference has a plenary session where general IT Governance topics will be discussed such as IT Management, IT Security, IT Auditing/Assurance, and IT Risk Management geared towards the different profiles and interests of the attendees.

Distinguished speakers from top private and public organizations, both local and international, are invited.

A networking and socials event shall end the conference which will allow the participants to relax and at the same time to associate with ISACA Manila officers and other delegates.

## ISACA and IT Governance

With more than 86,000 constituents in more than 160 countries, ISACA ([www.isaca.org](http://www.isaca.org)) is a recognized worldwide leader in IT governance, control, security and assurance. Founded in 1969, ISACA sponsors international conferences, publishes the Information Systems Control Journal, and develops international information systems auditing and control standards. It also administers the globally respected Certified Information Systems Auditor (CISA) designation, earned by more than 60,000 professionals since 1978; the Certified Information Security Manager (CISM) designation, earned by 9,000 professionals since 2002; and the new Certified in the Governance of Enterprise IT (CGEIT) designation.

ISACA-Manila is the local arm promoting the objectives of the ISACA International. ISACA-Manila conducts review programs for the CISA and CISM exam, seminars and other topical and relevant programs to meet the educational and networking needs of IT professionals and help maintain their professional edge in an ever-changing global environment.
